Guided by His Word,
Serving in His Love

Join us at the Eastern Christian Convention!

It is difficult to put into words my experience when I attended the Eastern Christian Convention. However, I will say it was of great importance to me. As I think back over the years, it has been an uplifting and at the same time, a challenging experience. Hershey is only about a 45 minute drive so you don't have to stay overnight. You can drive home after the evening service and return the next morning. We do.

There is much help available to help you in your walk as a Christian. The worship services give you that feeling of what it must be like in Heaven. They have had excellent speakers with challenging messages, uplifting music, as well as special music. It makes the chills go up and down your spine. Oh yes, they have excellent workshops, displays of missionaries, Bible Colleges, *etc.*

There is another point I want to make. Over the years, I have been blessed with making new friends and renewing acquaintances with old (not necessarily in years) friends.

I hope this will be an inspiration to any that never attended the Eastern Christian Convention. We are looking forward to another "Mountain Top" experience.

See you there!
